7. Financial Summary

Category	Amount
----------	--------

Total Project Cost

- Cost per food pack: £35
 - Funding source(s): Raised via Anytimegive
 - Confirmation: Funds were used exclusively for approved charitable purposes.
-

8. Monitoring, Compliance & Accountability

- Beneficiary verification conducted prior to distribution
 - Distribution records maintained (lists, acknowledgements)
 - Internal oversight mechanisms applied
 - Compliance with relevant government regulations ensured
-

9. Results & Impact

- Total food packs distributed: 50
 - Summary of impact on beneficiary households (brief): Vulnerable households were able to have sufficient food for the month of Ramadan.
 - Community feedback (if available): A highly successful project with community benefiting and requesting this to be a continuous project.
-

10. Challenges (If Applicable)

- As we did not have a registered charity there was a bit of reluctance from donors to send funds. However we aim to mitigate this issue by registering a charity in future.
-

11. Conclusion

The Ramadan Food Packs Distribution Program was implemented successfully and achieved its intended objectives. The project provided timely food assistance to vulnerable households during Ramadan while maintaining compliance with applicable government requirements.

12. Declaration & Authorization

I confirm that the information provided in this report is accurate and that the project was implemented in accordance with applicable laws and regulations.
